As I got to max prison I was pulled in to Captain Duffie Duffie he began talking about he knew why I was there this his building and If I have any problems report to him then I asked about my property Captain Duffie stated it's not hear yet but when I get hear will let you no then I explained to him that my property holds sentimental value once he seen how much my property mean to me he threaten to take advantage of me and the situation Captain Duffie then stated he wanted me to be his G I A jail house coach for him I refuse And he got very upset stating how hard he would make things for me Captain Duffie began to target me he kept harrassing me and locking me in seg outta Retaliation They let me in to max with some Timberland boots that they had checked with a hand held metal detector they allow me to keep the boots then Duffie wanted to flex his authority so officer in p-2 sent me to medical I get down there my name was not on any list I began walking back to my mod when officer Dove started following me saying hey boy hey boy I kept walking As I reached the corner to turn in going back to p-2 Duffie and LT Travis came outta of p-1 They said where you coming from I said medical They said don't you hear my officer talking to you I said my name is not hey boy so they told me to take my Boots off I say for what yall checked these boots three times with metal detector they made me take boots off and they put the hand cuffs on me took me to seg I ask why are yall keep harrassing me Duffie told me to shut

my damn mouth up boy I told him the word "Boy" is A Racial Word For "Nigger" They kept me in seg for no reason then they let me out on three different occasions each time they locked me in seg they used the same fake excuse that I have a possible weapon not one time had they ever found a weapon nor did I ever have one It was Duffie Flexing his authority/ Last time they locked me in seg same Reason there S I U Finger redo pulled me in to his office he said do I like seg I said No I then ask why was I beeing held in seg S I U Finger redo said they was going to keep me in seg for A while I said I did not do any thing he then said that he wanted me to be his eyes and ears then he violated my 8th admendment by writting his snick Hotline number on my Arm in big numbers and he said I better call him by Friday I never did and they retalated and locked me back up that monday not only did he violate my rights by writting his # on my Arm thats Assault And he put my life in danger by writting his snick hot line number on my Arm I reported it and done a Grievance no one done any thing I tried talking to the head warden his exact words was I know who you are And I dont like you I dont like Virginia inmates I dont know why they keep sending you out hear then he threaten to send me back saying All Virginia inmates is nothing but trouble and he told us All Once the warden made It clear that he didnt like me I t open up more doors for A lot of Real officers to target me and get away with it because they new that warden would cover for them I done a Grievance on Officer Bastine for having a Racial tattoo of a tree with a nose hanging from it he told me It meant being nigger.s I spoke to another officer name spears about the Racial Remark and tattoo Bastine got Officer spears told me that If he could confirm that tattoo he would write bastine up once spears got the confirmation Bastine In fact has the tattoo spears wrote Bastine up then I was told to do A Grievance on the matter I done the Grievance and I didnt have the date correct so they Denied the Grievance sticking up for the officer Then Inspector office did not do any thing but cover for the officer Bastine coworker Officer Barbar waited until I got out to seg and started giving me all dirty looks then barbar made the state ment in front of the whole p-2 and that I was A PC snick from Virginia then he went on to say how he would Break my jaw and get away with it he constly tried to intennarinate me on every cause It had gotten so bad with the constly harrassment and threats From Officer barbar I had to go to A L T befor I got my self in trouble because Barbar made me see that no one was going to go against what he said I was going to clow when Officer barbar threaten to smack me off camera break my jaw and stump my tongue out I reported the threat to LT Anarnma) he sent me to talk to captain about It by the time I came back the camera showed barbar go in to my cell and smack A deck of playing cards off my Bed on to the floor and in to my toilet when I came back I seen the mess he made so I left It like that so some one higher up could see what he done on purpose minutes latter barbar came pass my cell laughing At what he had done his exact words was

Clean my mess up be a good nigger boy and obey your master so I left every thing the way he left it thank
 my barbaric wife me a looking for having a tight cell no one else but him I explain to different shifts what took
 place they all was very aware of the conflicting issues amongst my self and Barber then on the night the looking
 was read to me LT Animal Captain Yates and Barber was heard saying by inmates yeah that nigger has to go he got
 to go next day they shipped me to high security they told my family it was for my safety from what was going on
 since I been hear at high security I've been the victim of A Prison Incident that no one done anything about I
 reported it only for them to cover it up like they always do on 4-12-18 I was pulled out of a F-mod cell 7 to go to the
 Dentist 173 I got to the front of the mod office marville grabed me by the right trypsin and began massaging and
 squeezing my arm while smiling saying how good my arms fill to him I told him don't touch me like that no more
 he then escorted me to ~~max~~ the Dentist Office As I layed back in the Dentist Chair for them to X-Ray the tooth
 they had to pull Of-fick marville came to the Dentist Chair and grabed my right trypsin again then said your arms
 fill so good in my hand they fill like Rocks I reported being sexual Assaulted no one didnt do anything they didnt
 let me make A prison call they kept it in house sent A Social Worker Name Vicki to talk to me and Counselor Teresa
 talked to me The camera prove every thing I said happened they still didnt do anything about it They sent
 me back to max prison because a under age kid came and court orders said he could not be around a diets so they
 had to clear one whole side out for him soon As I got back to max seg the officer started threaten my life
 saying how they hate me and want me to be dead and on 6/18/18 on 3rd shift Cle Barber came to seg and worked
 all night every time he came pass my cell he called me 'nigger' 'snitch' said every time I eat a Tray in at night
 'id's he threaten to put glass in my food he constantly harass me all night of 6/18/18 I was on 3rd floor cell 9 he
 made it his business to mentally torquer me and he done a great job at it I have can't/can't complain to
 the Virginia Compact Office they have failed to do any thing but reject my cry for help while back in max they
 throw all my property away cards letters Big stack of photo's legal work stamps hygiene I been back in
 high security with out any thing I've constantly complained about all my missing property they sent doing
 any thing but flexing there Hate to me A lot of Officer at both max and High security was telling me the
 reason why they hate me and target me like they do is because befor I got hear it was a another inmate
 hear from VA and he gave them Hell so they all took it out on me to make me sleep outside my elbow
 to show them I can be wiser than him see in my file they look and seen that a sgt at Kansas told G-D
 Gang members I was a snitch from outta state I have the paper from Kansas to prove to you the people
 hear got a copy as well so they seen that And thought they could me me snitch But not once
 have I ever snitched on any body and they tell inmates I'm a Virginia snitch And hoping

Statement p. 4

that one or two of these Gang members take matters into their own hand and do bodily harm to me so they can kill two birds with one stone. All these Gang members are trying to make names for themselves not realizing when a Officer say a inmate a such that Officer doing his best to get rid of that inmate my paperwork is floating in other hands along with all my photos of kids wife mom dad sisters Brothers Herms so people I love are in Casket and I have served Officer that will tell you I had these things now I don't have any thing and they are doing nothing. It's been putting a mental strain on my mind and a great deal of pain on my soul to face the fact someone else has all my belongings and they throw my property in Trash all because they hate me because I refuse to let them handle me the way they do to the inmates from this state I been down for over twenty one years straight and I refuse to bow or let any one talk to me any kind of way I'm packed up but I'm a man before anything so a person that stand up for himself that's some thing they not use to and they don't like it so they do what they do to show me this they loose and what they say goes no matter what they all have acted under the color state laws by using there special Authority to invoke fear control and manipulate situations resulting in mental Anguish A eight Admonishment Violation of US Constitution They all are dealing in they personal feeling and it's very unprofessional for them to act and treat me like this
